

Ans #3: Extending $\{p, \text{number2}\}$

• `add_plumber2_tag()` - prepare your API route

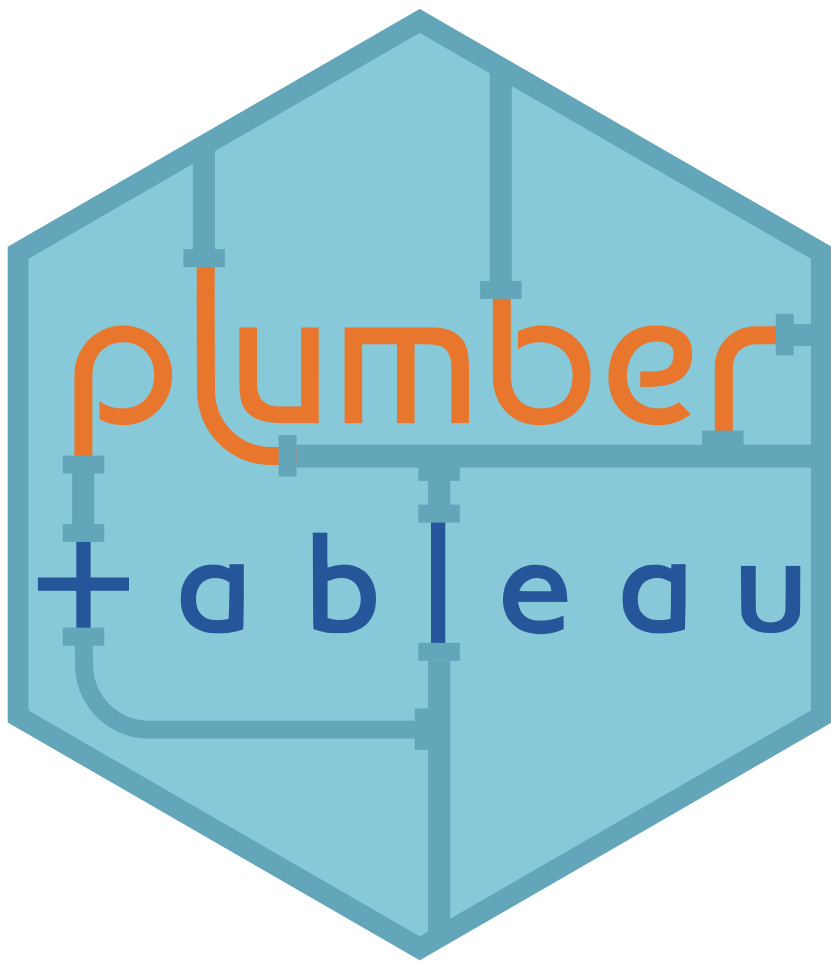

• `apply_umbler2_block()` - process your API route

• Need to revisit $\{p, \text{turn}, \text{abort}\}$'s implementation

- `{p\lumber2tab\leau}` ???

`{p\lumbertab\leau2}` ???

2

Ans #3: Extending {plumber2}

- ``add_plumber2_tag()`` - prepare your API route
- ``apply_plumber2_block()`` - process your API route
- Need to revisit {plumbertableau}'s implementation
- {plumber2tableau} ??
 {plumbertableau2} ??

Future of `{plumber}`
